MEETS:

SPRING FLING LCM INVITATIONAL was another grand success for the Boise Y Swim Team. 460 swimmers from 24 teams participated including 145 standout swimmers from the Boise Y. Again, a big "THANKS" to our parents who made this event possible...thanks for the 1,000 hours of volunteer time!! And a special thanks to swimmer Amy Louks for her help after the meet for moving the lane lines and putting the flags back up. In the past, it has taken the coaching staff 45 minutes to change the flags back...Amy did it by herself in 20!

We saw great improvement overall for the swimmers in their first LCM meet of the summer season...it is a wonderful way to start the season.

Swimmers who improved in nearly every swim include:

8-UN: Charlee Andree, Cagnie Miller, Violet Rademacher, Eden Sanborn & Thomas Scott

Other Records...Record for the shortest Record –

On the last day at Western Zones 10 year old Sammie Eyolfson swam the 100m Free, and broke the oldest Snake River record on the books, a record that had lasted 35 years...since 1977! The meet was using "chase starts", meaning the next heat started at the opposite end of the pool before Sammie had finished, and her teammate, Megan Doherty, was in the water and finished in a time 11 one-hundredths of a second faster. So, after waiting 35 years, Sammie was able to enjoy approximately 50 seconds of glory!
