

## 2009 USA Swimming Membership Reimbursement Request for Officials

The Boise Y Swim Team would like to thank all of our volunteer meet officials (Stroke and Turn, Starters, Referees, and Admin). Not only do we ask these officials to give up weekends working at swim meets but officials are also required to be non-athlete members of USA Swimming. Membership dues for 2010 are \$51/non-athlete member or \$95.00/family (2 or more non-athlete members). Each on deck official must be a dues paying member in order to officiate at our swim meets.

In 2009, money was budgeted to help offset the cost of USA Swimming membership for our volunteers. We are asking those officials who wish to be reimbursed for their 2009 membership to fill out the form below. Each family member requesting reimbursement must fill out a form. A credit (\$50 for an individual or \$92.50 for a family membership—the rates for a 2009 membership) will be applied to your swim team bill once your request is received.
